REPLY IS MADE TO WILLIAMSON

Rockingham Democratic County Committee Issues Statement.

[Special to The Times-Dispatch.]
Harrisonburg, Va., June 20.—The political pot is boiling again to-day. The Democratic County Committee of Rockingham issues a reply to the charges made by Thomas L. Williamson, who recently came out as an independent candidate for County Treasurer, on the grounds, he alleged, that the County Committee had refused to allow the Kezell-Williamson contest to be settled in the September primary election.

The committee says that there is no demand for a change in the methods of nominating Democratic candidates except the demand recently sprung by Williamson and his friends. It says that Williamson was apparently misled by the use of the established usage in the county, and satisfied when he first made his announcement in the spring. The committee insinuates that Mr. Williamson's actions are strange and inconsistent.

The committee resents the insinuation that it is dominated by Senator Kezell, or that it would be controlled by any one man.

From a reading of the committee's statement it appears as if Williamson and the committee are at odds as to what sort of a primary was desired by Williamson, and what sort was offered by the committee. It appears that Williamson wanted to leave the contest to a majority vote of all the Democrats at a general popular or direct primary similar to that held for the United States Senators, while the committee offered a voting primary, or precinct meeting, as a preliminary method of selecting delegates to a convention. Williamson contended that the method suggested by the committee would be as easily dominated and controlled by the Kezell machine.

Again, Williamson and the committee are at odds as to what State Chairman of the National Democratic primary, Williamson says that Ellison "urged" a primary; the committee denies this, saying that Ellison merely left the matter with it.

Opens for Summer.
The State Normal School, with an enrollment of about 300, opened this morning for the summer term. Men are admitted during the summer. Among the teachers are Professor Smith, of the Petersburg High School, assistant in mathematics; Miss L. L. Lancaster, of Ashland, mathematics; Professor and Mrs. Smith, of Hagerstown, Md.; Professor Wine, of Woodstock, and Professor Flory, of Bridgewater, and Miss King, of Norfolk.

Plains District, Rockingham county, is up in arms. William Turner is in jail here charged with wantonly attempting to wreck the machinery being used in road-making in the district. Turner, it is alleged, went into the road at midnight fired up the gigantic traction engine and headed it straight for the road machine. In the collision, damage was done and the roadwork is temporarily halted. Turner was captured while hiding behind the smokehouse, and hurried to Harrisonburg. Feeling run high. He will be given a hearing this week.

OPENING DAY OF SUMMER SCHOOL

Address of Welcome by President Alderman—Enrollment Passes 800 Mark.

[Special to The Times-Dispatch.]
Charlottesville, Va., June 20.—The University of Virginia summer school was formally opened to-day. Exercises were held in the Hall at 11:30 o'clock, the address of welcome being delivered by President Alderman. Miss Henderson, supervisor of music in the Boston city schools, sang a solo, and there was a violin solo by Miss Kate McNeill, of this city.

Yesterday was given up to the registration of students. The enrollment was larger than on any previous opening day, there being over 500 matriculates. The rush kept up throughout this morning, the total up to noon being 800. The indications are that the attendance will be the largest in the history of the school. Last summer the total reached 1,350. Of this number, 1,084 were from Virginia and 266 from twenty-four other States.

The faculty, numbering more than sixty, is drawn this year from the best institutions of higher learning in the country, such as the University of Virginia, Columbia University, the University of North Carolina, while practical teachers, supervisors, superintendents of schools and presidents of normal schools guarantee a diversity of instruction.

The contest for first place in attendance from without Virginia will likely rest this year between Maryland, North Carolina and South Carolina, with West Virginia, Alabama and Tennessee closely following. Certain county school systems from some of these States have engaged rooms for twenty-five and thirty of their teachers. In many cases the superintendent brings his entire staff.

SLOW PROGRESS BY GRAND JURY

After Short Session, Another Adjournment Is Taken, Until June 27.

TESTIFY IN ORMSBY CASE

Date for Primary in Dinwiddie Is Set—Other Petersburg News.

Times-Dispatch Bureau,
109 North Sycamore Street,
Petersburg, Va., June 20.

After a recess of several days this morning resumed its consideration of the new charges against Charles Hall Davis and Carter R. Bishop in connection with the old Appomattox Trust Company. At the conclusion of the morning session the jury was adjourned over until Tuesday next, the 27th instant.

J. W. Sutherland, a member of the grand jury, informed the court that his mother is critically ill at her home at Sutherland's, in Dinwiddie county, and that feeling it his duty to be at her side, he asked that he be excused from further service on the jury. To withdraw a juror would have necessitated the discharge of the jury and the impaneling of a new body. The court took the matter under consideration and decided to adjourn the jury over for a week.

The jury is getting along slowly with the investigation of the charges in the new indictment prepared by the Commonwealth's Attorney, and probably many days will pass before a report can be made.

Testified in Washington.
Judge J. M. Mullen, of the Hustings Court; Robert Gilliam, clerk of the court; Commonwealth's Attorney H. H. Mann and Chief of Police R. F. Ragland, who were subpoenaed as witnesses, testified before the jury in Washington yesterday in the case of George F. Ormsby, under arraignment in that city on the charge of larceny. Other witnesses from Virginia were also examined, including Judge Walter A. Watson, Judge Barham, of Newport News; Hill Montague, of Richmond, all of whom have had legal dealings with Ormsby. The Petersburg witnesses testified as to Ormsby's conduct and actions in Petersburg in his several court prosecutions of his wife, in which he met defeat and was warned to leave the city. His wife, a former woman, was a resident of Petersburg at the time the case was still under investigation in Washington to-day.

Dinwiddie Matters.
Dinwiddie Circuit Court was opened yesterday, with Judge E. H. Wells, or

Baby's Voice
Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to a strong, healthy motherhood. Mother's Friend is sold at drug stores.
